#### KILLED NEAR TRACK.

Stranger Found Dead Near Santa Fe at Bellefont.

On last Saturday night a man in an unconscious state was brought to Dodge City on Santa Fe train number one. From papers found in his pocket it was believed that the man's name was Ernest Borress of Sidney, Ohio. He was found near the Santa Fe track not far from Bellefont by the crew of an extra freight. The man was unconscious when found. There were no marks upon his body. Upon his head were two frightful gashes which apparently had been cut by some blunt instrument. A short distance away were found two large stones bespattered with blood. Evidently the man had been killed with these weapons.

Some thought that he had been held up and was killed for resisting, and some that perhaps he had tried to hold up some one else and had gotten the worst of it.

The stranger never recovered consciousness and died the next morning.

The harness races will have purses of from \$100 to \$200, and the running races from \$75 to \$150.

Two big relay races will be given during the meeting.

#### INDIANA SETTLERS.

Wanted for an Escort for Vice President Fairbanks.

Vice President Fairbanks will attend the Dodge City reunion, and in the big parade it is desired to have an escort for him composed of the Indiana people who live in Ford county. There are from five to six hundred Indiana settlers in Ford county, but it will be difficult to locate all of them unless the people themselves report. Mr. Pettijohn is starting a movement to discover and interest all Indiana settlers in this parade. It should be possible to get at least 200 Indiana folks in line as the escort of the Vice President, and the occasion will also be an excellent opportunity for these people to meet each other and get acquainted.

A committee perhaps will be appointed to learn the names of our Indiana settlers, and if all will promptly send in their names the movement can be made a great success.

If you are from Indiana keep track of this matter. See Mr. L. J. Pettijohn, or whatever committee may be appointed, or send in your name and address at once.

#### BOARD OF EDUCATION

Miss Minnie Sevier was elected to fill a vacancy left in the grade schools. She has been teaching for the past four years at Nevada, Mo., and is a sister of Mrs. Geo. L. Wing of this place.

A committee, composed of the superintendent of schools, principal of high school, and Messrs. W. T. Coolidge, L. J. Pettijohn and N. B. Klaine, was appointed to formulate rules and regulations for the government of the schools.

#### Meetings at Baptist Church

The following notice has been handed us for publication: Protracted meetings will begin at the Baptist church July 17, with Rev. Howard of Arkansas City, evangelist in charge. He comes well recommended and all are invited to attend and take part in the meeting. If every Christian in the city will lend a helping hand, and invite others, there will be souls saved. They may be your friends. Don't stand back because you are not a member of our church, but show your interest for some poor soul that is out of the ark of safety. May God bless and urge you to activity.

The Embroidery Club which has for years been one of the most enjoyable social organizations in Dodge City will meet on next Friday afternoon with Mrs. Hardesty. The club's last meeting in June was one of those memorable occasions, a dinner for the members and their husbands, which is given when the month contains a fifth Friday. The dinner was given at the pleasant home of Mr. and Mrs. C. O. Waring on Railroad avenue, and it will be long remembered among the famous dinners given by the Embroidery Club.

There was a very pleasant surprise party at the home of Mr. and Mrs. L. J. Pettijohn in the north part of town on last Saturday evening planned and attended by the land office force and their families. The occasion was the birthday anniversary of Mr. Pettijohn, receiver of the land office, and the company were successful in giving him a complete surprise. Those present were Mr. and Mrs. Pettijohn and son and daughter, Mr. and Mrs. H. F. Millikan and daughters, Mr. and Mrs. Claud Wilkinson and son, Mr. and Mrs. W. H. Jacoby and sons and daughter, and Mrs. Shaw.

The A. B. girls have started on their "trip around the world." They arrived in Boston after a most delightful trip, where they were met by Mrs. Gertrude Finley, who entertained them in a most charming manner. The rooms were elaborately decorated in red, white and blue flowers and flags of the United States, also flags of the countries they expect to visit on their trip, and the mascots of the company, "Buster Brown" and "Tige" two kittens decorated with red white and blue ribbons. The Hub city was represented in the menu cards which were in the shape of the hub of a wheel. The menu was as follows: "Emblem of Boston" (Boston baked beans), "food for the gods" (Boston brown bread), "Love apple with cupid's balm" (tomatoes with mayonnaise), "the American's favorite" (cherry pie), "a Boston beverage" (coffee). The guests were Mesdames Phillips, Uhl, Martin, Pixley, McCall and the Misses Mabel Webb of

Boulder, Colo., Sallie Hardesty, Nora Carson, Helen Jastatt and Margaret Watson. After visiting the principal points of interest in Boston the girls went on board the ocean liner Saint Cloud and are now on their way to London, where they expect to arrive on Saturday, July the 14th and be entertained by Miss Mabelle Considine.

The S. S. Club members were delightfully entertained last Friday afternoon at the home of Mrs. Harvey Uhl. The guests were Mesdames Richard Evans, Sr., Richard Evans, Jr., Balbridge, Sturm, Balch, Gertrude Finley, Lillian O'Neill, Clyde Smith, Clara Yeaton, Ross Pixley and Misses DeEtte Reighard, Nellie Chapman, Lula Sturm, and Mrs. J. R. Walton, of St. Louis. Delicious refreshments were served. The next meeting will be with Mrs. Whitworth on July 20th.

Mrs. John McCurdy entertained the Young Married Women's Club and a few friends last Thursday afternoon, at the home of Mrs. Vernon. The time was very pleasantly spent with fancy work, and the several babies present received their share of admiration. A very dainty lunch was served from a prettily appointed table.

A large number of Dodge City ladies are being entertained today at the home of Mr. and Mrs. C. M. Beeson, south of the river.

#### BLOOMERS SATURDAY

Women's Rights Will Be in Operation in the Ball Game at Park

The National Bloomer girls base ball team will be in Dodge City, Saturday, and will play a game with Carrol Lord's Swatters at the park in the afternoon. A petition has been presented to Mr. Lord requesting that Col. Floyd Manary be allowed to umpire the game.

This will be "the game" of the season and everybody ought to see it.

It will not be a burlesque, but will be a good exhibition of fast base ball. The bloomers have been playing good games and winning a large percent of them.

#### Notice.

Part of the cream served at the C. F. social last night was not good and would not have been served had it been known. We deeply regret the poor cream and begging pardon for the mistake, pledge ourselves to serve nothing but good cream at future socials.
